Part-time Adult Education Teacher Academy

The FLDOE, Division of Career and Adult Education, and ACE of Florida, Inc. are pleased to offer the Part-time Adult Education Teacher Academies for part-time teachers who are often unable to attend the full ACE Conference.

The Academies are set up like mini conferences. Highlights include an Opening Welcome, a digital Tool Kit filled with classroom tested materials and resources that can be easily integrated into your curriculum right away, and an opportunity to attend workshops delivered by subject area experts. Special sessions will include resources, materials and information that can be used immediately in the classroom and will assist teachers on how to effectively work on limited time.

The first Part-time Teacher Academy is scheduled at South Florida State College. All surrounding counties are invited to participate. There is no charge for this training.
