

Sponsorship Opportunities

One of the highlights of the Best Practices Round-up will be having the publishers and vendors participate in the group discussions with the attendees. This enables the vendors to learn the concerns and needs of Florida's adult educators, as well as comment on possible solutions that vendors may have to problems adult educators are facing in the classroom. ACE is offering your company an opportunity for wider exposure in getting your name out by sponsoring an activity at the Round-up.

All sponsors will receive:

- ◆ Signage with your company's logo at the sponsored event
- ◆ Time to address the Round-up attendees at the event

Contact Ashley at the ACE office for more information about sponsorships and to confirm availability.
