The 25th annual Florida Summer Symposium for Adult Education Administrators will be held Sunday, June 9 - Tuesday, June 11, 2019. The Summer Symposium is an important forum for administrators to discuss critical issues related to educating adults, immigrant adults and WIOA. The symposium format allows participants ample opportunity to share ideas and develop solutions to the educational challenges of serving tomorrow's diverse workforce.

Among the many vital topics to be addressed by state and national presenters, along with robust audience participation are:

- ◆ *Professional development - resources, webinars, workshops and trainings being offered by ACE of Florida, IPDAE and FLC.*
- ◆ *National Spotlight - what is happening around the nation - what that means for Florida's adult education programs.*
- ◆ *2019 Legislative Update - outcomes and impact on adult education programs.*
- ◆ *Issues from the field; local topics; FL DOE updates - new initiatives, program requirements, funding, WIOA, Partnerships with CareerSource Boards, Unified Plan and Local Plans.*
- ◆ *Immigration - overview of immigration reform and potential impact on adult education; resettlement issues.*
- ◆ *Human Trafficking - resources and curriculum to work with in the classroom.*
- ◆ *Data - optimizing information to improve program delivery.*
