

LGA Community College Report Out

2017 Summer Symposium

Neeta Rancourt, Assistant Director; Atlantic Technical College

NY Best Integrated Training

- **The Supporting Adults through Vocational EMT Training (SAVE) Program** prepares students to become certified emergency medical technicians and to work in the EMT field where they will provide basic emergency care to victims of traumatic and/or medical emergencies and transport them to the appropriate medical facility. *SAVE students read at an 8th grade level or above.*
- **The Integrated Medical Office Clinical Technician (I-MOCT) Program** prepares students for work in health care settings where they will perform multiple patient care practices, including taking blood, administering electrocardiograms (EKG), and measuring glucose levels. *I-MOCT students read at the 7th grade level or above.*

NY Best Integrated Training

- **The Integrated Central Service Technician (I-CST) Program** prepares students for work as a central service technician in a hospital where all equipment is sterilized and prepared for use. *CST students read at the 5th grade level or above.*
- **The Integrated Community Health Worker (CHW) Program** prepares students for work in health care or community settings where they will provide culturally appropriate health education, informal counseling about healthy behaviors, social support, direct services, such as reproductive health counseling and HIV-antibody test counseling, and advocate for individual and community needs. *CHW students read at the 8th grade level or above.*

Bridge to College and Careers

- Provide an educational and career pathway for adults and out of school youth.
- Students prepare for the High School Equivalency exam and create a plan to successfully transition to postsecondary training and college.
- Coursework covers topics in healthcare, science or business and develops academic reading, writing and math skills in preparation for college and employment in one of these areas.

Bridge to College and Careers

- Bridge to Health
- Bridge to Business
- Bridge to Science

Curriculum engages students with high-value concepts while providing scaffolded contextualized lessons, projects and assignments that develop the literacy, numeracy and critical thinking skills students need to pass the High School Equivalency exam and succeed in postsecondary education.

Bridge to Health

- 19 M dollars in grants plus fee-based programs
- Walmart Foundation
- Robin Hood Foundation
- MetLife Foundation
- National Center for Family Literacy
- NYC Department of Small Business Services
- NYC Department of Labor
- Jobs for the Future (JFF)
- Hotel Teach - Partnership w/Sheraton
- Taxi Cab Driver Training Program

STRENGTHENING FAMILIES BY PROMOTING RESPONSIBLE FATHERHOOD

CUNY Fatherhood Academy at LaGuardia provides education, employment, personal development and family engagement to low-income men with children.

Program:

111 Young fathers, aged 18 - 24
Retention is 85%

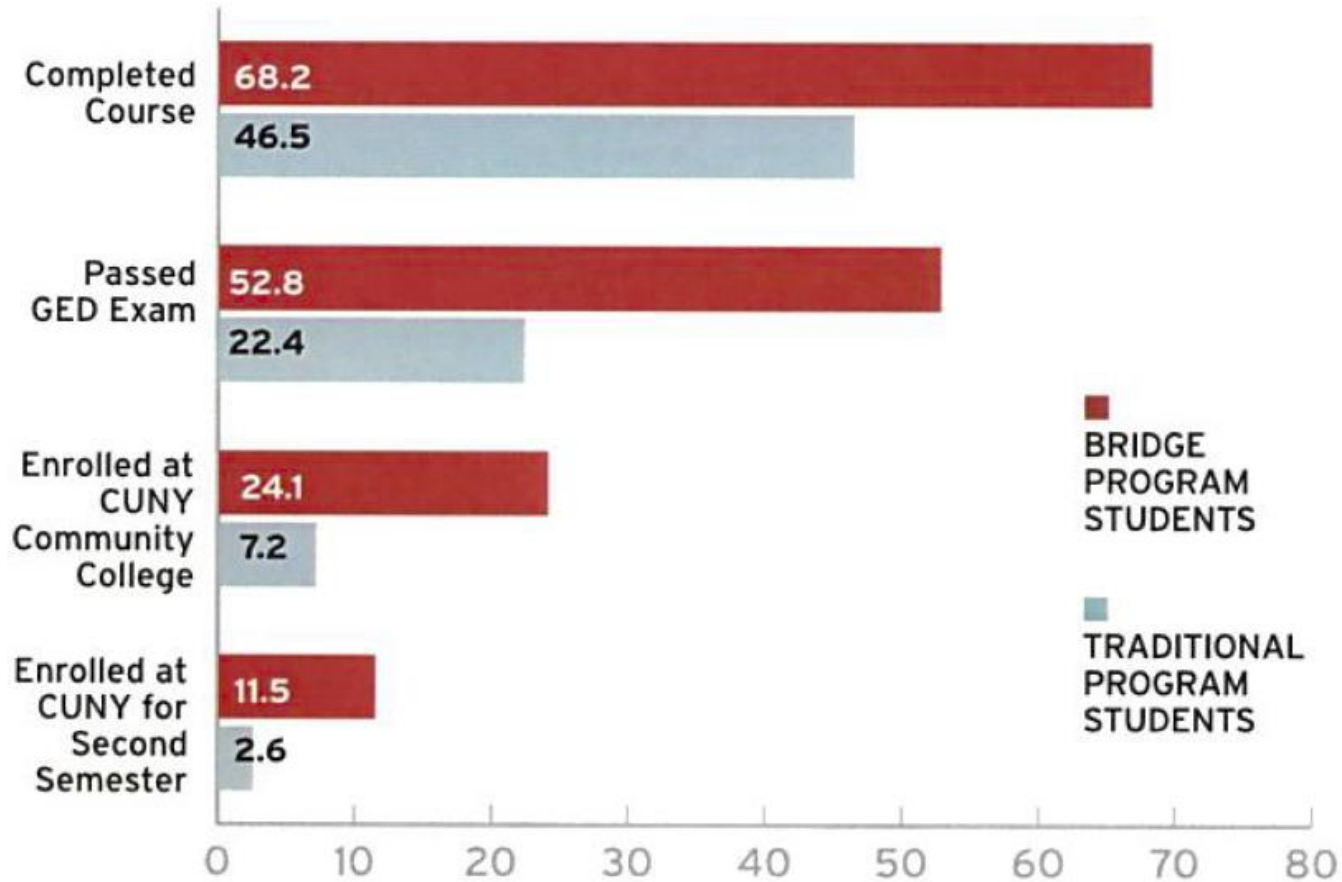

EMPOWERING IMMIGRANT COMMUNITIES THROUGH TARGETED EDUCATIONAL PROGRAMS

Center for Immigrant Education and Training

- The Center has served over 8,872 adults in English Language classes since 2001.
- 4,595 non-native English speaking adults have become more involved in their community as a result of taking ESL/Civics classes.
- \$8 million dollars ROI from immigrants getting jobs, better jobs, credentials and certificates.
- The NYC Welcome Back Center has provided comprehensive services to help over 553 internationally trained healthcare professionals rebuild their healthcare careers in New York State since 2011.

GETTING BETTER RESULTS FOR ADULTS IN GED PROGRAMS

12-MONTH IMPACTS OF BRIDGE PROGRAM IN COMPARISON TO TRADITIONAL PROGRAMS*

Students in the **Bridge Program**, which contextualizes its curriculum around student career and college aspirations, were more than twice as likely to pass the GED test and three times as likely to enroll in college than students in traditional programs.

* SOURCES: MDRC calculations using GED Bridge participation data, New York State GED Status Reports, CUNY MIS data, and GED test administration data.
