The CASAS System

CASAS is a nonprofit organization dedicated to improving youth and adult education services.

CASAS is an integrated systems approach with four key components.

- Learner-centered curriculum management
- Used nationwide in
 - Adult Basic Education (ABE)
 - English as a Second Language (ESL)
 - workplace literacy
 - family literacy
 - employment and training
 - welfare reform/TANF
 - citizenship
 - correctional programs
- Meets Workforce Innovative Opportunity Act (WIOA)

Approved through **February 2019**

- Life and Work Reading (80 series) and Beginning Literacy, Forms 27 and 28
- Life and Work Listening (980 series)
- Life Skills Math (30 series)

- 2013-2016 Wrote and field-tested new Reading and Math items
- 2015-2016 Conducted research studies with new test forms
- Oct. 2016 Submitted Reading and Math series to NRS for approval for ABE/ASE
- 2017 Conduct additional studies, as needed.
Ready for ABE/ASE programs to use, depending on OCTAE approval process.
- 2017-2019 Develop Reading and Listening series for ELLs.
Submit to NRS for approval. (Depends on OCTAE finalization date of revised NRS ELL Descriptors)
- 2019 Ready for ELL programs to use or later

New Reading Test Series

- ***New CASAS Reading Series measures:***
 - CASAS Competencies
 - Content Standards
 - CASAS Reading Content Standards
 - CCR Standards for Adult Education in the areas of:
 - Reading
 - Reading Foundations
 - Reading Task Areas
 - Depth of Knowledge (DOK)
 - Academic Vocabulary - drawn from the Academic Word List (AWL)

- The College and Career Readiness (CCR) Standards for Adult Education were published by the U.S. Department of Education, Office of Career, Technical, and Adult Education (OCTAE) in April 2013.
- The CCR Standards are the Anchor Standards for the Common Core State Standards for K-12 programs. The April 2013 study was based on these standards.
- The April 2013 CCRS study focused on Adult Basic Education (ABE) and Adult Secondary Education (ASE) learners, not on Adult ESL learners.
 - Change in terms from ESL (English as a Second Language) learners to ELL (English Language Learners)

In 2015, OCTAE funded a similar study for Adult ELLs.

- This project produced new Adult ELL standards in October 2016, called *English Language Proficiency Standards for Adult Education* (ELPS).
 - The ELPS is intended to be a “language lift” to assist Adult ELLs to achieve the CCR Standards for Adult Education.
- This OCTAE project will also produce:
 - related training materials for Adult ELLs, and
 - revised NRS EFL Descriptors for Adult ELLs, due to be published for public review in early Summer 2017
- Adult ELL programs should continue to use current NRS ESL Descriptors (EFLs)

Employee Computer and Internet Policy

1 All Syxtar employees have a computer Internet connection to use for company business. The
2 company also has a liberal policy of giving employees up to 30 minutes of personal Internet
3 use each day. However, communications on company computers belong to Syxtar. The company
4 can look at all messages and documents on its computers and other company technology.

5 Since the monitoring system cannot check all websites, employees may come across websites
6 with controversial content. It is impossible for the IT Department to define such content precisely.
7 Therefore, it is the responsibility of each employee to decide if a website contains inappropriate
8 material. If a website has such material, employees are prohibited from viewing that material.
