1

What is Nearpod?

What is Nearpod?

In a nutshell, it’s an interactive slideshow that students can access directly on their own devices.

2

What is the cost?

What is the cost?

- For most, the free edition is sufficient.
- If you need additional storage and don't want to upgrade, just use a different email address and create a second account.
- If you have more than 40 students, launch two sessions.
- Become a Nearpod Certified Educator and get 6 months of gold for free!

https://nearpod.com/pricing

2

How do students access Nearpod?

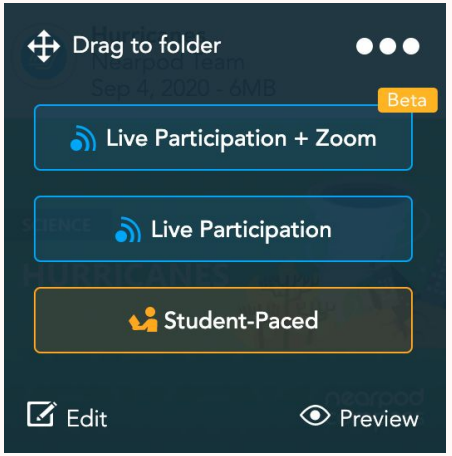
How do students access Nearpod?

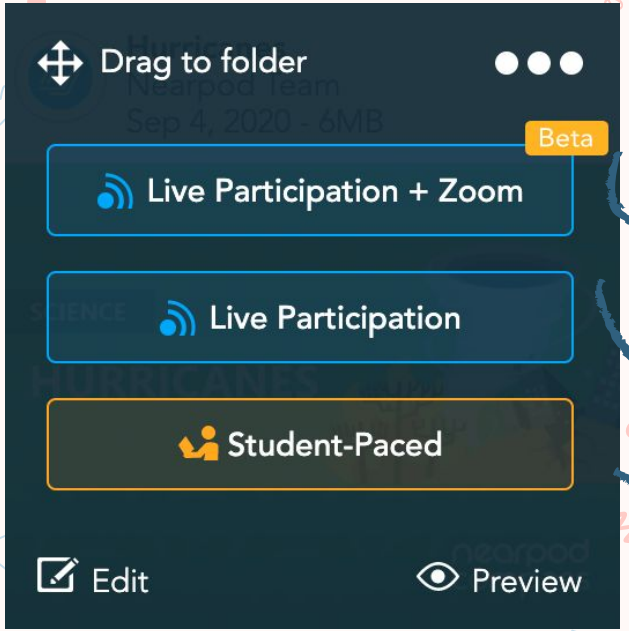
- When you're ready to deliver the lesson, click on one of these options:
- You will then get a code like this:

Join with this CODE at join.nearpod.com or in the app

ZMSWP

- Students enter the code and that's it, they're in!

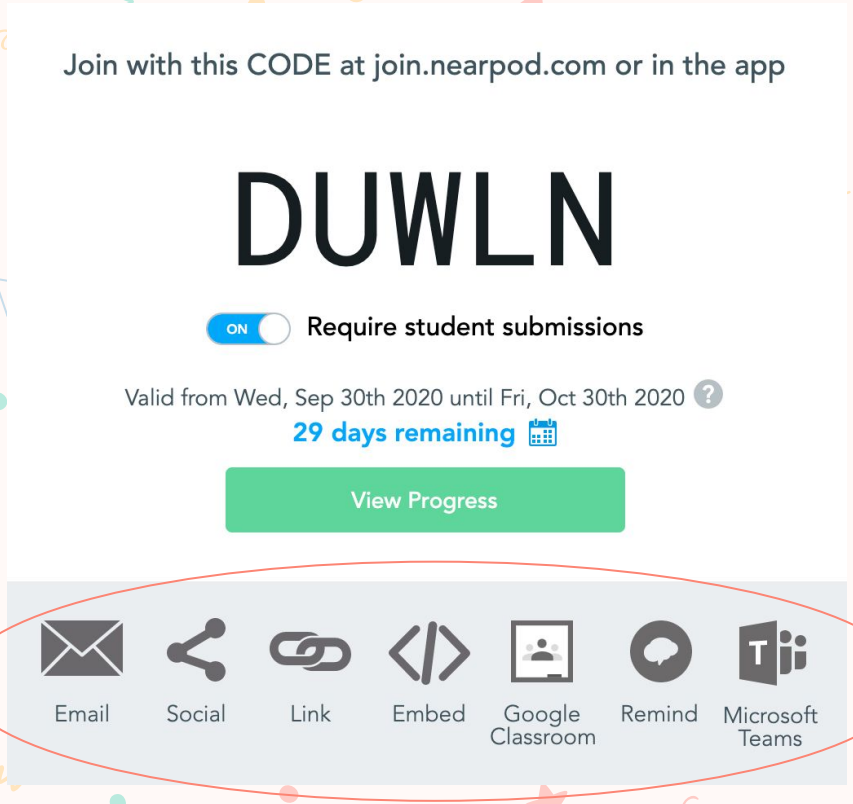




Launches a live lesson and a Zoom session at the same time.

Launches a live lesson which allows you to control the movement through the lesson and see real time data. Code expires when you end the session.

Launches a lesson in which students control their own movement. The code is good for 30 days.



Join with this CODE at join.nearpod.com or in the app

How do I make a Nearpod presentation?

How do I make a Nearpod presentation?

Find a pre-made Nearpod from the library:

- Search using a key word relating to the topic you are teaching.
- Preview the lesson
- Delete content/activities and add your own content/activities.

Create your own:

- Create in Google Slides using the Nearpod Google Slides Add-on
  - Use your favorite resource to guide your content
- Upload a file from Google Drive, Dropbox, OneDrive, PPT, PDF, or PNG and add activities.
- Create slides and add activities directly in Nearpod.

Lots of ways! Emailing or phoning government officials, joining a community group, writing to the newspaper, and voting are just a few ways Americans can participate in their democracy. If you understand how the government works, and you've got a bit of savvy about where your opinions will have the most impact, you can be an active member of the "Fourth Branch" of our government: the citizens!

	Executive Branch	Legislative Branch		Judicial Branch
		House	Senate	
Who is involved?				
What do they do?				
Do citizens get to vote for the person?				
How do citizens' votes count?				
Responsible to how many citizens?
