2021 Summer Symposium

Supporting Adult Education Leaders of Florida June 7-8, 2021

The 27th Annual Florida Summer Symposium for Adult Education Administrators is going hybrid. Make plans to join in person at Orange Technical College - Mid-Florida Campus on Monday, June 7 and Tuesday, June 8, 2021. Still under travel restrictions in your district? You can attend virtually. ACE will be live-streaming the Symposium, and you will have the capability to participate in discussions and ask questions all in real time!

The Summer Symposium is an important forum for administrators to gather critical information on current issues related to educating adults, and this year having up-to-date information and the opportunity to hear what is happening around the state is more critical than ever. This year's Symposium continues that tradition, but in a new way, as we all find ourselves in times we have never experienced and operating in ways we never imagined.

Please join your fellow administrators as we explore, share and learn about issues that are impacting us right now and those we anticipate impacting us for months to come.

Among the many topics planned are:

- ◇ Updates from Chancellor Henry Mack and the Adult Education Team
- ◇ Data Collection and Reporting in a new paradigm
- ◇ Perspectives on the state of the state from DOE, the Florida Chamber of Commerce, CareerSource, Department of Economic Opportunity and more
- ◇ 2021 Legislative Update – what happened and what lies ahead.
- ◇ Strategies on student instruction, recruitment, and retention in a virtual world
- ◇ Statewide Adult Education Outreach and Marketing Campaign

We will continue to update you as we add topics of interest in the coming weeks. We look forward to seeing all of you in June!

Sincerely,
Melanie Stefanowicz, Co-Chair
Julie Roberts, Co-Chair
