Work Ready Soft Skills

- **Communicating Effectively** – Verbal and nonverbal communication and listening; use of communication tools including email etiquette, cell phone, and social networking; resolving conflict through communication; and acknowledging criticism.
- **Conveying Professionalism** – Dependability, courtesy, attitude, motivation, personal accountability, and time management.
- **Promoting Teamwork and Collaboration** – Teamwork skills and interactions, collaboration with others regardless of personal feelings, benefits of diversity and sensitivity to differences, accepting responsibility, and leadership.
- **Thinking Critically and Solving Problems** – Innovation, creativity, flexibility, overcoming adversity, goal setting, and critical thinking strategies.

Soft Skills Credential

- Digital – may be downloaded, printed and emailed on demand

- State-sponsored, signed by Governor

Florida Ready to Work Credential - Soft Skills

The credential is based on a proctored career readiness assessment validating mastery of the foundational work habits and situational judgement skills commonly required for most jobs according to the U.S. Department of Labor O*NET Job Zone Framework. The holder of this credential has demonstrated work ready skills including:

Communicating Effectively

- Understand the elements of effective listening, speaking, and writing
- Consider the purpose, audience, and medium of communication, including email etiquette, texting, and social media
- Understand the role of the customer and develop positive customer relationships
- Adopt a growth mindset and become an active learner
- Demonstrate strategies for conflict resolution

Promoting Teamwork and Collaboration

- Recognize the characteristics of an effective team member
- Develop leadership skills
- Recognize, celebrate, and incorporate individual diversity and differences in the workplace

Conveying Professionalism

- Build trust through punctuality, dependability, and accountability
- Demonstrate integrity, initiative, and a strong work ethic
- Represent the organization in the workplace and beyond with pride and professionalism
- Develop organizational skills and effective work habits
- Manage time effectively and prioritize tasks
- Use common technology and choose tools to fit tasks
- Develop basic business acumen

Thinking Critically and Solving Problems

- Adapt to new information and circumstances
- Make decisions with logic and reason
- Demonstrate awareness of systems and design for improvement
- Use a cycle of inquiry to investigate a problem
- Evaluate and interpret data sources and visual displays

Soft Skills Assessment

- One proctored assessment required to earn the Florida Ready to Work Soft Skills Credential
- 39 questions, combination of multiple choice and 'best / worst' scenarios
- 60 minutes, proctor option to extend testing time up to 2.59 hours
- Online assessment, scored in real time
- Pass / fail – passing scale score range of 203 - 260
- May be retaken

Soft Skills Training

- 4 online modules – 2+ hours each
- Each lesson per module corresponds to a learning objective
- Pretest benchmarks skills
- Embedded learner interactions including video-based ‘best and worse’ scenarios and ‘check your knowledge’ activities
- Post test indicates readiness for proctored assessment required to earn the credential
- Optional classroom-based extension activities to reinforce concept mastery with step-by-step facilitator guide and capstone projects

It may seem surprising that in this day and age some workers have few or no digital skills. It is important to note that many of these workers may have fragmented knowledge: That is, they may be comfortable using a mobile phone to text a photo, but not be familiar with how to operate a mouse or upload a job application.

National Skills Coalition,

The New Landscape of Digital Literacy, 2020

NEW! Work Ready Digital Skills

- **Computer Operations** – Identify and understand device types, parts of a computer, operating systems, common software applications, basic computer operations, and professional use of devices.
- **Internet Browsing**– Identify and understand the world wide web and internet, how to connect to the internet, browser basics and how to search the web, and professional use of the internet.
- **Digital Communication**– Identify and understand methods of digital communication including email, video conferencing, instant messaging and text messaging, social media etiquette, and professional use of digital communication tools.
- **Digital Documents** – Identify and understand different types of digital workplace documents including word processing spreadsheets, slide presentations, and online forms; document sharing and collaboration tools; and professional use of digital documents.
- **Digital Security**– Identify and understand security policies and procedures, password security, privacy settings, security software, spam and phishing, and virtual private network (VPN).

NEW! Digital Skills Credential

State-sponsored, signed by Governor

Florida Ready to Work Credential - Academic Employability Skills

The credential is based on three proctored career readiness assessments validating mastery of the foundational academic employability skills (math, reading, and data) commonly required for most jobs according to the U.S. Department of Labor O'NET Job Zone Framework. The holder of this **Achievement Level 3** credential has demonstrated **Job Zone 3** work ready skills including:

Work Ready Math Skills for Level 3

A participant who has earned an **Achievement Level 3** in Work Ready Math has the foundational math skills to succeed in preparatory programs for **O'NET Job Zone 3** career pathways. Participants can solve multi-step, complex mathematical operations using multiple pieces of data, and determine relevant information for how to solve the problem. For example, participants have demonstrated the ability to:

- Understand how to solve multi-step, multi-operation problems, such as determining assembly line production rates.
- Solve problems involving unit conversion, such as units of weight or time.
- Solve multi-step problems to calculate product information, such as unit cost or percent discount.
- Solve single-step division problems with integers.
- Calculate product dimensions, such as circumference of a tire or the number of square feet of tiles needed to cover an area.

Work Ready Reading Skills for Level 3

A participant who has earned an **Achievement Level 3** in Work Ready Reading has the foundational literacy skills to succeed in preparatory programs for **O'NET Job Zone 3** career pathways. Participants can read and understand moderately complex workplace documents, such as detailed operation manuals or procedures. For example, participants have demonstrated the ability to:

- Use common reading strategies to understand key vocabulary in moderately complex informational text.
- Identify the purpose, main idea, and implicit details provided in moderately complex informational text.
- Generalize knowledge gained from a moderately complex procedural document.
- Draw conclusions based on implicit details in an informational document, such as an article about flexible employment schedules.

Work Ready Data Skills for Level 5

A participant who has earned an **Achievement Level 5** in Work Ready Data has the foundational data literacy skills to succeed in preparatory programs for **O'NET Job Zone 5** career pathways. Participants can identify trends and make predictions based on data within and across multiple sources such as complex graphs and charts. For example, participants have demonstrated the ability to:

- Interpret sales, marketing, or industry conditions and make predictions based on trends represented in complex graphs.

There are four possible Achievement Levels (2-5). The Achievement Level is a composite work ready indicator based on the lowest passing score across all three assessments required to earn the credential. For information about the correlation between Achievement Level and O'NET Job Zone, visit <https://onetonline.org/help/online/zones>.

This credential is issued by Florida Ready to Work, a research-based foundational career readiness training, assessment, and credentialing program sponsored by the State of Florida; administered by the Florida Department of Commerce (floridajobs.org); and endorsed by the National Work Readiness Council (nwrc.org), an independent national nonprofit workforce development, training, and advocacy organization.
